

SMH Equipment is your go to supplier for the dry hire of quality heavy duty mining and industrial equipment in North West Queensland.

Located in Mount Isa, the heart of the North West Mineral Province SMH Equipment can provide you with short or long term hire equipment to fulfil any job. From graders to excavators, mine sites to road works, the city to the bush; all of SMH's equipment comes site ready and in A1 working condition.

With over 15 years' experience in the industry SMH Equipment understands your needs and offers competitive pricing, servicing, maintenance...even transport.

To offer a quick reference guide our monthly e-newsletter gives a summary of equipment we have ready and available.
