JOB DESCRIPTION

1.0 Company Background

SMH Equipment is an established company offering:

- Plant & machinery hire
- Supply of new & used parts for machinery
- Machinery and equipment rebuilds, service & repair

With over 15 years of experience in the industry, a team of experienced diesel fitters and established partnerships with numerous reliable contractors SMH Equipment can guarantee to get the job done right and on time every time, at the right price.

With a large workshop located in Mount Isa, the heart of the North West Mineral Province, SMH Equipment specialises in the servicing, repair and rebuilding of heavy duty mining equipment both on and off site.

With no job too big or too small, 7 day a week regional service and a host of established suppliers, you can ensure with SMH Equipment your equipment down time is kept to an utmost minimum.
